715 E. 8<sup>th</sup> St. Austin, Texas 78701

## **FOR IMMEDIATE RELEASE**

**August 7, 2008**

**Contact:** Public Information Office, 974-5017

### **Northeast Area Command Safe Neighborhood Project**

The Northeast Area Command District Representatives, along with the Metro Tactical Unit, the Mounted Patrol Unit, and the Code Enforcement Unit are working on a neighborhood project with citizens that reside on Sweeney Circle and Sweeney Lane. The area has been identified as a high crime area.

A mobile police substation has been installed on Sweeney Circle. It will be an office to the District Representative officers until the completion of the project, which has no set end date.

The District Representatives will be conducting neighborhood surveys to gather information from property owners. The goal is to assist the owners and managers of the properties in increasing the quality of life for the residents of the neighborhood. The Code Enforcement unit will be inspecting properties to ensure that they are up to code standards.

The APD Mounted Patrol Unit and the Metro Tactical Unit will assist with the identification and enforcement of persons committing crimes in the area.

**Media Advisory:** APD Northeast Area Command District Representatives and members of the other units will be available for interviews Thursday, August 7, 2008, at 2 p.m. on Sweeney Circle. Please contact APD-PIO if you plan to attend.
